

All about us

We are situated near the Berkshire, Surrey and Hampshire borders. Opened in 1966, the school is well maintained and has two hard play area, extensive playing fields (including an adventure activities area), a purpose-built multi-sports area and well-developed quiet areas for the children.

The school grounds offer excellent environmental facilities including a large natural habitat pond, nature trail, organic orchard, organic vegetable garden, greenhouse and bird hide. and Environmental Centre. In 2001, the school was awarded the Mars “Silver Sapling” Award for environmental Development, as well as receiving the Bracknell in Bloom Award for Best School Grounds.

The spacious interior of the school is well equipped all areas of the school have recently been refurbished. The school offers superior ICT facilities, including a networked suite of 18 computers plus a computer in each classroom managed by a dedicated ICT manager.

Investors in People

College Town received this national accreditation in 1998, which recognises the commitment of the school to the professional development of its entire staff. The school was successfully re-appraised during the Spring Term 2005.

Organisation

The school is divided into year groups, with years 3 and 4 forming the Lower School and years 5 and 6 the Upper School. At present there are three mixed ability classes in each year group.

Curriculum

The governors and staff are committed to providing a broad and balanced curriculum, which offers opportunities both for the creative experiences of drama, music and dance and for the development of a range of physical and sporting activities. A wide range of extra curricular clubs and activities, run by staff, governors and parents, enhances the formal curriculum.

In recognition of the School’s outstanding commitment to promoting the benefits of physical activity and school sport, we hold the Sport England Active Mark Gold Award.

In 2002 we achieved the Silver Healthy School Award, followed by the Gold Healthy Schools Award in 2003.

Community Links

Most of the children joining the school come from College Town Infant and Nursery School, which is adjacent to the Junior School. A good relationship has been established between the two schools to ensure a smooth transition between year 2 and 3. The School also works very closely with the Royal Military Academy to help the service children moving into the school and especially to support those children with English as a second language.
